Dear Mr Weisberg - Oct 4

Enclosed, you will find the True interview with Sturgis. I'd appreciate your copying it and then returning it - on second thought, you can keep it if you like.

Q: Are you able to give me a current address for Mark Lane? DC, Don't know where

Q: What do you know about the veracity of any recent allegations that Fensterwald's group is a "front"? Paranoia? Don't believe

Q: What about a clue as to what you are currently writing about and what I can look forward to buying? Post Mortem - soon - $10.75 by mail

Tip: Your writings are being appreciated in the right places in D.C. and will lead to much good. Thanks HW 10/9/75

B Kunk
